

Publications

A list of publications is provided on [Scholar \(Google\)](#), [ORCID](#) or [ResearchID](#). The research profile at [Research Gate](#) contains links to publications and projects. A [Database](#) with publications and prints of our research projects is available for team members and registered users, also at [Zotero](#) and [Mendeley](#). For some research projects there is a collection of publications and bibliographic record on [Bibsonomy](#).
